A NORTHERN ONTARIO LEADERSHIP SUMMIT

BECOME A  
NORTHERN ONTARIO  
LEADERSHIP SUMMIT  
CHAMPION TODAY!

## A MESSAGE FROM THE TON STEERING COMMITTEE

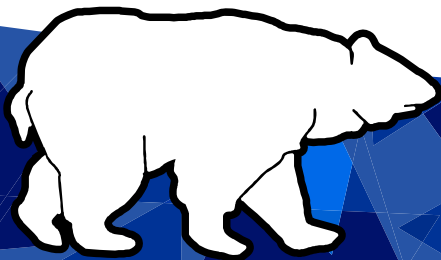

On behalf of the community of Cochrane, the Northern Policy Institute, and the entire northern region, we are delighted to invite you to attend Transforming Ontario's North Summit. The Summit is an evolutionary approach to planning the future of Northern Ontario from a grassroots level. For the first time we will bring together Indigenous and non-Indigenous Northern Ontario leaders, along with government regulators, and economic development practitioners, to begin the process of laying out the northern roadmap, together. The evolutionary approach breaks away from the typical conference format to engage the participants directly in the debate and formulation of both the summit agenda and outcomes.

The Summit will wrap up with an Accord discussion between the Northern Ontario leaders seeking a united front to validating the outcomes and setting regional direction in implementation of the identified road map. We hope that you will enjoy this unprecedented experience and engage in this potentially historical milestone in northern development.

We respectfully request your consideration to participate as a sponsor for this historic Summit. Your contribution will help ensure the success of the event. Please find enclosed additional information about the sponsorship benefits. Should you have any questions, please do not hesitate to contact myself at 705.272.4361 ext. 231/ peter.politis@cochraneontario.com or Natasha Penn at 705.478.9713/natasha@kjco.ca.

*Sincerely,*
